- Alamoudi M., Bellinger S., Marull M., Santana M., and Rivera-Mariani F.E. (2018). Evaluation of the Types of Farms and Their Effects on the Development of Asthma and Allergies. Inaugural Larkin University Research Symposium. Miami, FL. DOI: 10.5281/zenodo.1240416.

Workshops

- Leadership Workshop
- Emotional Intelligence Workshop
- Anatomical dissection of a fresh frozen cadaver at the Miami Anatomical Research Center (MARC).

Work Experience

Capital Women's Care, Medical Scribe and Assistant 11/2018-Current

- Responsible for completion of the patient's medical chart and assisted the Provider with in-office procedures.

Medical Scribe and Medical Assistant, Frederick Foot and Ankle 5/2016-8/2017
Frederick, MD

- As a Medical Scribe, I was responsible for the completion of the patient's medical chart, assisted in educating the patient on their treatment plan and explained how to use orthotic devices and medications.
- As a Medical Assistant, I helped the Physician with procedures, such as debriding wounds and applying Wound VAC's.

Chief Medical Scribe, Scribe America 3/2011- 5/2016
Shady Grove Adventist Hospital, Rockville MD

- I was responsible for managing 30+ scribes, coordinating the schedule, hiring and training new employees, ensuring scribe compliance and competence.

Junior Project Leader, Scribe America 1/2015-9/2015

Rockville, MD

- Responsible for the implementation of a new scribe program. By recruiting, hiring, creating a precise pre-employment process, and training a new scribe, I was able to successfully establish a new scribe program in a Primary Care office.

Patient Call Back Representative 2013-2014
Pediatric Emergency Department at Shady Grove Adventist Hospital, Rockville MD

- Acted as the liaison between my fellow employees and the Head of the Patient Call Back Program. I obtained feedback from the patients about their visit once they were discharged from the Emergency Department to assist in formulating improvements within the Pediatric Emergency Department.
