OBJECTIVE

Energetic and passionate college student working towards a Bachelor of Science at Nova Southeastern University.

JOB EXPERIENCE

JULY 2018 - PRESENT

PHYSASSIST SCRIBE

As a scribe, I am responsible for documenting medical visits and procedures that are carried out by the physician.

2018 - PRESENT

SUPPLEMENTAL INSTRUCTION LEADER FOR BIOL 1500

I held regular sessions and came up with an organized plan on what to do with the students as a way to help them understand the class materials much better. I provided help individually during my office hours and explained the materials that were unclear otherwise.

APRIL 2018 - AUGUST 2018

BARNES AND NOBLES

My job included serving customers, controlling stocks, and helping at the cash register.
